### SECTION 28 - SHOEBOX FLOAT CONTEST

#### Theme - 100 Years in Detroit at the Fair

#### Rules and Regulations

Create a float representing your likes at the fair. (e.g. animals, food, rides, crafts, cars, parade, etc.) The float must be made from a cardboard shoe box (no larger than 14" x 9"). Portray your favorite part of the fairs. If you are representing your county fair, put the county fair name on the float. Accessories and artificial flowers can be used. (Decorative materials such as papier-mâché, cloth and foil work best.)

Floats will be kept on display, as a parade, during the fair. Judging will be on floats only, but should be displayed with a pulling conveyance (e.g., tractor, horse, car, pickup, etc.) for realism. If going for realism, remember there were more horses than cars unless you have antiques.
